

Services for Christmas 2017

Mainstream's normal business hours will continue throughout the festive season (except for Statutory Holidays).

Automatic or Daily Pick Ups

Automatic or Daily Pick Ups will be suspended from the end of Friday 22 December until Monday 8 January 2018 due to the large number of customers who will be closed during this period.

If you are open and dispatching goods during this time we would appreciate it if you would phone your Mainstream branch by midday with your daily collection requirements. Our branch contact details are available on the Mainstream Website [Mainstream Branches](#).

Please note that we will operate a reduced fleet during the short holiday weeks so your pick up times may be earlier than normal. Your normal daily pickups will resume on 8 January 2018.

Last Line-haul Before Christmas

Inter-Island:

The longer distances and travel time required to operate via SH7 Due to the closure of SH1 at Kaikoura will mean that the last departure for deliveries to be achieved to the main inter island cities (excluding onforwards) before Christmas will be Tuesday 19 December on a best endeavors basis. Goods sent after this will be delivered from Wednesday 27 December. Please notify us if you have a specific requirement that differs from this timetable.

Intra-island (within and island):

The last departure for deliveries to cities within the island before Christmas will be Thursday 21 December 2017.

Items collected after these departure dates will be delivered on the next business day for main destinations within the island and 2-3 business days for main inter island destinations between Christmas and New Year on the proviso that your customers are open to take deliveries.

Transit Times

Transit times may vary slightly over the Christmas period dependant upon demand and volume. Please feel free to confirm with us the expected delivery time frame when booking your pickup.

Please pass this information to the appropriate person/people within your operation.

The Management and Staff of Mainstream would like to take this opportunity to wish all our customers a very Merry Christmas and Happy New Year. We look forward to seeing you all in the New Year.
